

DRAIN CL

Deep Drain Foam Cleaner

PRODUCT INFORMATION SHEET

Description:

- Cleans and eliminates odors.
- On contact with the water in your drain trap, this product expands to cover all surfaces above, below and in the trap, leaving behind clean, sanitary, odor free drains.
- This specially formulated powder was developed for ease of use while maintaining worker health and safety and peak efficacy.

Product Use:

Upon contact with water in your drain, DRAIN CL powder additive will expand to cover all surfaces above, below and in the trap leaving behind clean, sanitary, odour free drains. The specially formulated powder was developed for ease of use while maintaining worker health and safety and peak efficacy. Safe for all pipes. No dye, no fragrance.

Directions for Use:

- To ensure drain trap contains only water, flush drain with water before use.
- Pour appropriate dose of powder into drain. If drain grate prevents powder from entering, flush with minimal water.
- For floor drains, or if no foam is observed in the pipe, add small volume of water after product has been applied.
- Let stand for 5 minutes before rinsing with water.

Dilutions:

Approximate Dosing:

- Single Sink: First line in cap
- Double Sink: Second line in cap
- Floor Drain: Up to a full cap

Plumbing dimensions vary, adjust until foam comes slightly out of the drain.
