

Action

Bowl Cleaner

Benefits:

No hydrochloric acid – Safer to use
Low odour – Pleasant fragrance
Colour added – Use less
Fast acting – Saves time

Description:

A mild blend of citric and phosphoric acids with a pleasant fragrance to deliver the cleaning ability required for day-to-day usage. Swish Action bowl cleaner does not contain hydrochloric acid and may be substituted for most cleaning wherever strong acid cleaners are used. Allow extra time to work.

Caution:

- Keep out of reach of children
- Keep from freezing
- Read MSDS completely before using this product
- Do not mix with any other chemicals, especially bleach or ammonia

Directions & Dilutions:

Toilet Bowls – Squeeze 60-120ml (2-4 oz) directly into the bowl, under the rim and on the sides. Let stand for about two minutes, then scrub all surfaces with bowl mop. Flush well. For badly stained bowls, repeat.

Urinals - Squeeze over all surfaces – particularly behind rims –scrub well and flush. Once every two weeks 100ml should be injected directly into the waste pipe. Do not use on painted surfaces. Safe for all recommended surfaces.
