

Product Information Sheet

Clean & Green™ Dust Mop Treatment

Description: A safe powerful dust mop cleaner designed for dusters, mops, cloth and surfaces where dust clings. Prevents movement of dust and removes without an oily film.

Uses: Designed for dusters, mops, cloth and surfaces where dust clings. Can be used on all surfaces, wood concrete, steel, plastic, terrazzo or composition material.

Caution:

- Avoid over treatment or applications which can cause slippery conditions
- Keep out of reach of children
- Keep from freezing
- Read MSDS completely before using this product

Directions & Dilutions:

Dust Mop Maintenance

- Using measuring cup, measure out correct amount of Clean & Green™ Dust Mop Treatment as per treatment chart.
- Pour this amount over the entire yarn area on the floor side of the mop.
- Roll up the treated mop and place in plastic bag. Tie the bag and allow to cure for 4-5 days.

Factory Floor Maintenance:

- Fill sprayer approximately half full. Pump sprayer. Lock handle. Turn nozzle on wand, clockwise to deliver fine mist. Hold wand waist-high, spraying lightly, moving wand from side to side while walking backwards. Spray on top of dust and soil, sweep then respray cleaned surface very lightly.

DO NOT OVER-TREAT SURFACES. Regular usage will reduce amount of treatment needed.

- Overtreatment may cause slippery conditions.

Product Code & Size

#65300-4 3.78 L X 4/case

Green Benefits:

Derived from natural and renewable sources such as coconut, corn and palm kernel

Readily biodegradable

Contains only natural essential oils

Packaging contains recycled material

Free of phosphates and EDTA

Does not comprise of material originating from nonylphenol (NP)

Does not contain VOCs

Not toxic towards aquatic life
