

# Product Information Sheet

## Sequest Green Oxygen Bleach

**Description:** A stabilized hydrogen peroxide, colour-safe destainer, best suited in situations where chlorine bleach is not acceptable.

**Uses:** Effectively removes stains from all fabrics. Eliminates yellowing caused by chlorine on some fabrics. Quickly disperses in the wash water. Removes a wide variety of stains.

**Directions:** Designed to be used in areas where chlorine bleach is to be avoided because of coloured fabrics or yellowing problems. Best results are typically achieved at lower wash temperatures.

**Caution:** May irritate eyes or skin. Do not get in eyes or on skin. Keep out of reach of children.

First aid treatment: Contains hydrogen peroxide. Dangerous fumes form when mixed with other products. If swallowed, call Poison Control Center or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water.

**Product Code:** #6701

### Green Benefits:

Stabilizer derived from a natural and renewable source and is biodegradable

Ecologo-certified (CCD-106)

Does not contain any chlorine based bleaching chemicals

Free from phosphates, NTA and EDTA

Not regulated under transport of dangerous goods (TDG)
