

Inn-Sync Solid Safe No Spot Drying Agent

Benefits:

Provides rapid rinse and spot-free drying
Effective in a wide range of water conditions

Description:

A concentrated solid drying agent designed for use in both hot and low temperature dish washing. Provides for rapid rinsing and spot-free drying. Effective in a wide range of water conditions. Safe on all dish machine surfaces and components. Designed specifically for use in solid rinse dispensers. Not for use in household dish washers.

Caution:

Contains biodegradable wetting agents. Do not ingest. In case of ingestion, drink plenty of water followed with milk of magnesium. Do not induce vomiting. Never give fluids to an unconscious person. Seek medical attention. In case of eye contact, flush eyes for 15 minutes with clear water. Seek medical advice. In case of skin contact, rinse thoroughly. If irritation occurs, seek medical advice. Refer to your Material Safety Data Sheet for additional precautions and handling procedures. Keep out of reach of children.

Directions & Dilutions:

Consult your service technician for proper usage. Use only in dispensing systems designed for solid block products.

Consult your Swish Representative for detailed wash instructions for your specific applications.
