

Quality Cleaning Products Since 1956

OPTIMAX RINSE AGENT

Benefits:

Concentrated formula – Economical to use
Sheeting action – Streak and spot free
Phosphate and NPE free – Environmentally responsible

Description:

A cost-effective product to best suit your water conditions and temperature, by providing exceptional wetting to promote spot free drying of glassware and cutlery.

Caution:

- Keep out of reach of children
- Read MSDS completely before using this product

Directions & Dilutions:

Automatically injected into the final rinse line of the dish machine or glassware using appropriate dispenser. Typical use levels range from 100 to 300ppm depending on specific water conditions and operating variables.

Consult your Swish Representative for detailed wash instructions for your specific applications.
