# Aromx 33

## Bio-Enzymatic Drain Maintainer

### Benefits:

- Pleasant odour – Contains Aromx Odour Counteractant
- Continuously working – Leaves an active biofilm
- Natural bacteria – Chlorinated solvent free
- Economical to use – Saves money
- Neutral pH – Caustic free

### Description:

A complex solution of micro-organisms that completely biodegrades all organic waste in grease traps and drain lines. The unique strain of bioenzymatic bacteria produces a biomass that will digest and liquefy potential blockage. Contains Aromx, the super foul odour eliminator.

### Caution:

- Use as directed
- Keep out of reach of children
- Read MSDS completely before using this product
- Keep from freezing

### Directions & Dilutions:

#### Grease Traps:

1. Remove as much grease and waste as possible before use.
2. Add 300-500ml (10-17oz.) daily.
3. Add at night or during minimal water use.

#### Drains:

1. Add an initial dose of 900 ml (30oz) followed by 250ml (8oz) of luke warm water. Maintain process (after initial dose).  
Pipe size <10cm : 300ml (10oz) daily addition.  
Pipe size >10cm : 500ml (17oz) daily addition.

#### Note:

Start drain treatment on the lowest floor and work to the top floor doing one floor each day. Once the top floor is reached, continue adding at the top level floor only.

### Product Code & Size:

- #8933-20 20 L
- #8933-1 1 L
