

Quality Cleaning Products Since 1956

SPP#11 Heavy Duty

Cleaner Degreaser Concentrate

Benefits:

Versatile - Excellent in both hot and cold water applications
Safe - Balanced formula without the use of toxic solvents

Description:

A concentrated, heavy duty cleaner without the use of caustic soda. Combines builders and detergents into a balanced formula that penetrates the heaviest of soils without the potential hazard of caustic burns. Excellent hot or cold water degreaser.

Caution:

- Keep out of reach of children
- Do not mix with other chemicals
- Read MSDS completely before using this product

Directions & Dilutions:

Swish Heavy Duty Degreaser Cleaner should be diluted 1 part to 32 parts water, prior to use. This ready-to-use heavy duty cleaner will provide cleaning action equal to strong caustic products. Apply solution liberally, scrub where required and then rinse with clean potable water.
Each 1.25 gal. U.S. (4.73 L) keg makes 156 litres, 41.25 U.S. gal., 1:32

Note:

Avoid contamination of food in the use and storage of this product. Any surface coming into direct contact with food should be thoroughly rinsed with potable water following use of this product.

Contains:

Surfactants, sequester, phosphate, glycol, ethanolamine and dye.
