Description:

A super concentrated neutral pH detergent, disinfectant, fungicide, virucidal and odor counteractant.

Caution:

- Use as directed
- A pre-cleaning step is required and recommended for heavily soiled surfaces
- Keep out of reach of children
- Keep from freezing
- Read MSDS completely before using this product

Directions & Dilutions:

1. For general cleaning and disinfecting: dilute 1:128 parts water (8ml/L or 1 oz/gal). Apply solution liberally with cloth, mop or spray. Let solution remain on surface for a minimum of 10 minutes. Rinse or allow to air dry. When cleaning heavy soil or organic matter, pick up dirty solution and then re-clean the surface with Swish Quato 78 Plus solution, prepare fresh daily or when solution becomes visibly dirty or diluted.
2. For use against HIV (Human Immunodeficiency Virus):
3. Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of Swish Quato 78 Plus, dilute 1:128 parts water (8ml/l or 1 oz/gal) parts water then apply liberally, let solution remain on surface for a minimum of 10 minutes, rinse or allow to air dry.
