

BIO-ACTIVE WASHROOM CLEANER

- Cleans deeply & quickly
- Eliminates soils and odors from urine and fecal matter
- Effective all purpose bathroom cleaner for all surfaces
- Specialized formulation allowing microbes to degrade trapped and absorbed organic material

	ES920C
APPEARANCE	Viscous Dark Green liquid
ODOR	Floral
SOLUBILITY	Dispersible
RELATIVE DENSITY	~1.03
pH-VALUE	7.0-9.0
VISCOSITY	150-300 cps
SHELF LIFE	1 Year from date of manufacture

SIZES		
ES920CS	4.73 L (1.25 U.S. gallon)	1.89 L (0.50 U.S. gallon)

DILUTION

Product is active for 48 hours after dilutions

REGULAR USE

Dilute 1 part of product in 200 parts cool water

LIGHT DUTY

Dilute 1 part of product in 250 parts cool water

DIRECTIONS

Clean with a brush, sponge or microfibre cloth. For glass & mirrors and shiny surfaces, wipe off with a dry cloth. For strong or heavy malodors, follow cleaning by spraying ES100 on sides of urinals, toilets, and surrounding floors and any surface where urine or fecal matter could be present

1. Before use, thoroughly clean the container, (eg. pails, mop buckets or spray bottles) while always using new, or dedicated to this product, cleaning supplies such as a mop head or towel
2. Mix proper dilution and fill the container. Stir well
3. Do not add bleach to the product or other cleaning agents

STORAGE & TRANSPORTATION

- Store in a cool, well ventilated area
- Do not freeze; or expose for a long period of time to direct sunlight or strong incandescent lights
- Colors may change slightly overtime due to the food, drug and cosmetic dyes that are used in this product

DISPOSAL

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

PERSONAL PROTECTION

Please refer to product label and SDS
