Aromx 35

Bio-Enzymatic Odour Digester

Benefits:

Environmentally responsible – Will aid in other biodegradation
Effective – Contains billions of enzyme producing bacteria
Synergistic strains – Broad-spectrum efficacy
Long shelf life – Shelf dormancy
Safe – Will not harm personnel

Description:

A synergistic blend of specialized strains of bacteria that digest organic matter that sometimes causes foul odours.

Caution:

- Always test fabric for colour fastness before using
- Use as directed
- Do not freeze
- Read MSDS completely before using this product
- Keep out of reach of children

Directions & Dilutions:

For foul odours around urinals and toilets:

Pour 500 ml-1 L of Swish Aromx 35 in trap, let stand, do not flush.

For maintenance:

Add 120 ml (4oz) twice a week, let stand, do not flush.

For odours on carpets and upholstery:

Dilute Swish Aromx 35 300ml/4L (10oz/gal). Spray solution to clean soiled area. After cleaning spray Swish Aromx 35 full strength on previously soiled area, rinse with water and blot dry or pick up with wet vac.
